WEB DEVELOPER

Highly motivated and results-driven fresh graduate seeking a challenging position where I can utilize my web developer skills and knowledge in MERN stack development, React.js, Node.js, Tailwind CSS, HTML, CSS, and JavaScript to contribute to the growth and success of an innovative organization. I am eager to apply my theoretical foundation and practical experience gained through internships to create impactful web applications and contribute to a collaborative team environment.

WORK EXPERIENCE

IK SOLUTION | WEB DEVELOPER
May 2022 - Feb 2023

- Developed, maintained, and shipped production code for client websites primarily using React js, HTML5, CSS3, JavaScript, and PHP.
- Performed quality assurance tests on various sites to ensure cross-browser compatibility and mobile responsiveness.
- Lead in the development, and implementing web applications, designing layouts, and creating production communication materials.
- Managed up to 4 projects at a given period of time.

UPWORK| WEB DEVELOPER
Aug 2022 - Present

- Creating website layouts and user interfaces.
- Writing well-designed, efficient, and maintainable code.
- Building responsive web layouts that work across different screen sizes and devices.
